You can follow the following steps as a beginning, if it suits you,

1. Victor Cheng videos on YouTube

2. Case Interviews Cracked Videos on YouTube [3 workshops + mock interviews]

3. Case Interviews Cracked Book [Solve with a case partner, don't just read the book]
4. FMS Casebook, Case Compendium [For extra cases]
5. Try forming a case group and start solving more cases among the group, it helps a lot.
