CGPA criteria for Full-Time candidates requiring institute assistantship

Based on <https://www.nirfindia.org/2021/EngineeringRanking.html> 2021 NIRF engineering rankings, institutes are grouped in different bins. Table 2 shows the required minimum CGPA (out of 10) or percentage (value in the table should be multiplied by 10) as per the 2021 NIRF Engineering ranking of the institutions from where the candidate obtained the qualifying degree. Candidates should refer the particular column and row in Table 2 as per their qualifying degree (whether UG or PG, please row 2 in Table 1), category, and NIRF bin corresponding to their institute's 2021 NIRF engineering rank.

Table 2: minimum CGPA (out of 10) or percentage (value in the table should be multiplied by 10) as per 2021 NIRF Engineering ranking of the institutions from where the candidate obtained the qualifying degree (as an exception, IISc Bangalore is approved to share rank#1 in this table).
