## CSR PARTNERSHIP WITH HELLERMANN TYTON INDIA

**HellermannTyton**

HellermannTyton India, a trailblazer in cable management solutions, has partnered with Indian Institute of Technology Delhi to champion two transformative CSR projects. The first initiative introduces E-rickshaws for seamless campus transport at IIT Delhi, while the second project harnesses geospatial technologies for community-based mobile applications, empowering farmers in sustainable practices. This collaboration exemplifies the power of CSR in driving positive change.

## SIGNIFICANT CONTRIBUTION BY DELHIVERY LIMITED TO IIT DELHI'S SQUASH TEAM

Embracing Corporate Social Responsibility (CSR) is not just a choice but a responsibility for companies aiming to make a positive societal impact. Delhivery Limited, India's premier integrated third-party logistics service provider, exemplifies this ethos through their noteworthy CSR support to IIT Delhi's squash team, under the aegis of the Board for Sports Activities at IIT Delhi, showcasing a dedicated commitment to fostering positive social change. This initiative is a testimony to the fact that one of the pillars of Delhivery's social responsibility is to contribute towards making participation in nationally recognized sports in India more inclusive, especially amongst the youth.

## KASPERSKY, IIT DELHI PARTNER FOR CYBERSECURITY TALENT DEVELOPMENT IN INDIA

Kaspersky, a global cybersecurity company, and Indian Institute of Technology Delhi, a leader in the field of engineering education and research, have signed a Memorandum of Understanding (MoU) to work together to support and encourage the growth of cybersecurity-related research and educational initiatives at the Institute. Under the agreement, Kaspersky and IIT Delhi will work together to promote cybersecurity education and research to build a more robust cybersecurity work force in India. The agreement demonstrates both parties' efforts to foster closer cooperation to enhance the security of the computing environment in the nation and beyond.
