Corporate Relations- IIT Delhi

VOLVO GROUP

In a remarkable collaboration aimed at driving innovation for community service, Corporate Relations – IIT Delhi has forged a strategic partnership with Volvo Group CSR Trust, the philanthropic arm of Volvo Group India Private Limited.

Together, we embark on a pioneering R&D endeavor focused on the development of a low-cost battery pack energy storage system for stationary applications, utilizing retired batteries post their initial use. The memorandum of understanding was officially signed by Prof. Preeti Ranjan Panda, Dean Corporate Relations, and Mr. G V Rao, Director of Corporate Social Responsibility & External Industry Affairs at Volvo Group India Private Limited.

DONALDSON INC. EXPLORING BOUNDLESS COLLABORATIVE HORIZONS AT IIT

The Donaldson Inc. Team had the privilege of visiting the Centre for Sensors, Instrumentation and Cyber Physical System Engineering (SeNSE) at IIT Delhi, where innovative ideas converged. In a fruitful meeting with Prof. Gufran Sayeed Khan and Prof. Shahid Malik, they delved into exciting possibilities

for collaboration in various domains.

ROCKMAN PLANT VISIT

IIT Delhi's distinguished faculty members, Prof. Abhishek Das, Dr. Prithviraj Mukhopadhyay, and Prof. Krishnakant Agrawal from the Department of Mechanical Engineering, visited Rockman Industries' Bawal Plant, a meeting which was facilitated by the Corporate Relations team at IIT Delhi. During the meeting, Mr. Sanjeev Prabhakar, Head of R&D and Business Excellence at Rockman, explored various avenues for potential collaboration with IIT Delhi, alongside other members of the Rockman team. We eagerly anticipate engaging in productive partnerships with Rockman Industries in the future. Rockman Industries is an industry leader for Aluminium die casting components and largest producer of Alloy Wheels in India, supplying to many of the major automobile OEMs and reputed Tier1 companies in India and across the world.

VISIT TO THE HITECH ROBOTIC SYSTEMZ LTD (THRSL)

The Corporate Relations Office, IIT Delhi recently coordinated a pivotal visit to The Hitech Robotic Systemz Ltd (THRSL), setting the stage for research collaboration between the two entities in the field of Safe and Smart Mobility. Among the distinguished attendees were Prof. Shashank Bishnoi, the HiTech Chair Professor from the Department of Civil Engineering, and Prof. Chetan Arora from the Department of Computer Science and Engineering at IIT Delhi.
