

Dear Candidates,

Congratulations! You have been selected to appear for the 2nd round of interview/interaction to be held directly with the prospective supervisors of Department of Physics, IIT Delhi.

The details of the available projects, no. of vacancies in each research group, and the advisors/supervisors, etc. are available in the following link:

<https://docs.google.com/spreadsheets/d/1Ero8bCrnPEUjIV7jSZHCHHbLult-33cGGFm0azhKetQ/edit?gid=40749072#gid=40749072>

As a part of the 2nd level of interview (interview-2), you are required to contact the prospective supervisor/s either by directly meeting them for offline interaction/interview or by sending an email for an appointment for online interaction/interview.

Your selection as Ph.D. student will be based on the interview-2 where the supervisor and project will be finalized. Please find below the details of the procedure for finalizing your supervisor.

Procedure for finalizing the supervisor:

1. Once a student and prospective supervisor agrees to work on a project offered by the supervisor, the student should send the following undertaking to the supervisor via email –

“I (name of the student) [application no.] on [CSIR(JRF)/UGC(JRF)/DST-INSPIRE/GATE fellowship], here by give my consent to finalize Prof..... as my Ph.D. supervisor”.

IMPORTANT NOTE:

Once given a consent to finalize a supervisor, no further alteration in the decision will be allowed.

2. The supervisor will forward the above consent message to the Ph.D. Coordinator as soon as this is finalized.

3. The supervisor will enter the name of the selected candidate in the google-sheet links attached below. **Students can see the google-sheet for the confirmation of their PhD selection.**

The links are:

4. For confirmation of your selection as the PhD scholar of the Department of Physics, IIT Delhi, the candidates will have to present themselves either in online mode or offline **in a meeting of the Departmental Research Committee (DRC)** to be held on 11th December at 4:00 pm in the Committee room (Room no. MS 412) of Department of Physics, IIT Delhi. Those who would like to attend in online mode will receive a link for the meeting through their supervisors. The candidates are requested to contact the supervisors for the link for online meeting.

Please note that your selection at the Department of Physics will not be confirmed if you are not present in the meeting and the seat will be offered to other selected/waitlisted candidate as per the rule.

Best wishes,

6th December, 2024
