Why IIT Delhi

World-Class Institution
QS Rank in Top 30 globally in Engineering and consistently leading in Asia

Vibrant Research Ecosystem
Cutting-edge research centers in AI, Clean Energy, Climate, Healthcare, Advanced Manufacturing and others

Global Impact
Collaborations with 80+ global universities

Strong Industry Linkages
Industry linked research & innovation partnerships

650+ Faculty Members

6500+ Papers Published

350+ Consultancy Projects

2024

90+ Patents Filed

300+ Research Projects

Teaching & Research Positions

Full Time   **Visiting**   **Part Time**

Internal Funding

- Faculty Seed Grant
- Professional Development Fund
- Professional Development Allowance
- Faculty Interdisciplinary Research Projects
- Multi-Institutional Faculty Interdisciplinary Research Projects
- Faculty Research Travel Awards

Research Facilities

- Central Research Facility
- Central Workshop
- Nanoscale Research Facility
- High Performance Computing
- Supercomputing facility for bioinformatics & computational biology
- Central Library

Other Benefits

- Competitive remuneration packages
- Assistance with visas, relocation, and housing support
- Medical Support
- Startup Incubation

Residential Campus

- Green and Serene Campus
- State-of-the-Art Sports Infrastructure
- Cultural immersion programs to help you experience India at its best
