Dear Student,

Congratulations on gaining admission to IIT Delhi, one of the Premier Institutes of this country and an Institute of Eminence. We have great pleasure in welcoming you to the institute.

While IIT Delhi provides an excellent academic environment, it also provides ample opportunities for developing your hobbies and personality development through a plethora of extra-curricular activities. We not only have fully equipped sports grounds & playing courts, but also host a vibrant culture of music, art, theatre, dance and literary activities on campus. All these activities are managed by students themselves. We invite you to partake in the activities of your interest and contribute to campus life.

The Office of Dean of Students has a Student Welfare Section which is fully committed to meet any special needs that students might have from time to time. Should you need any help or support with non-academic/campus matters, please feel free to reach out to Student Welfare section/Student Support (studentsupport@admin.iitd.ac.in)

Currently, we have eleven hostels for boys and two hostels for girls on campus. One Men's' hostel and two women's' hostel are under construction and expected to be operational by December 2021. While we try to accommodate all students on the campus itself, at this moment we have an acute shortage of hostel rooms. We expect the position to ease when the new hostels become available. We shall inform you about the status of hostel accommodation once the Covid-19 situation eases and we decide to resume classes on campus.

We wish you all the success in your endeavors and look forward to receiving you on campus.

In the meantime, be well and stay safe.

With best wishes,
