CAIC Election
Instructions to Voters

1. Login using your Kerberos ID and password using the given link: https://polls.iitd.ac.in/caic.

2. After successful login, the user/voter is part of the electorate for the election(s) being held, the list of post(s) and candidates will be visible.

There is a limit of **15 minutes** between login and final submission of the vote. Any post already elected will not be visible.

3. Thereafter the voter can click on “Vote now”, to begin the voting process.
   a. In case of single post, the voter will need to choose one (and only one) of the candidates. Radio buttons are provided for this.
   b. In case of $n$ posts, the voter may choose 1 to $n$ candidates. Checkboxes are provided for this.
   c. The voter also has the option to choose “none” to indicate that none of the candidates were found suitable.
   d. The vote(s) will be recorded only after final submit. If your vote has been recorded correctly, the following message will be shown.

Thank you for participating in CAIC elections.
4. At any stage the voter can logout from the menu on the top right hand corner ( ). The vote will not be counted in this case.

You have been logged out. Your vote has not been recorded.

5. If the session times out, the following message will be shown:

Your session has timed out. Please log in to vote.

6. If the user/voter is not part of the electorate, the following message will be shown.

This election isn’t for you.
For any further queries, please contact the Academic Unit.
Response Code: ELCO03

Please note that voting can only be done once. If the user/voter has already voted, the following message will be shown.

You have already voted for this election.
